Sister Sue -

HA, HA, What can I say to a person whom I see almost every day. But then Knowing me I should be able to think of something to say. Your a terrific person and without you I would probably be lost. I mean who would I have to pick on. Thats one thing I'm going to miss when I'm up at college next year. Cause not even my roomate can take your place. I expect you to behave next year. I know it will probably be hard, but try to make do. You can guarantee it that I will be back to visit your whole family. I will give you my address so take it as a hint to write. also Lacross does require visitors to come and see me. Don't forget all the fun times we've had picking on each other at the house. Or even, what about our nicknames for whats his name before they were married. We had a lot of fun times working on this yearbook - tuying to gets deadlines madd and arguing with Sklavos. I know you will enjoy the rest of your years at Turner. Keep in mind I survived. Your going to have to keep Sarah and Rianne in control next year. They need a lot of looking after. Also be sure and bug Mr. Davies for me cause he's going to need someone bugging him next year. Your a super good pom pon girl, so keep up the good job. Try and stay out of trouble, not like me at Senior Skip Day, but if you can't you can come visit me for a while. Again Thank you and your Dad for all the pictures you've given me these last four years. I really appreciated it. I can't say everything I want to say, cause you don't know how hard it is. I'm going to miss Turner, the underclassmen, teachers and maybe even milktoast himself. I've gained a lot of memories at Turner and I will never ever forget them or the great students at Turner. Your class is an excellent class and I wish the best to all of you. Remember, You are to come see me at Lacrosse. Take care, I love ya!!!

Love, Barb

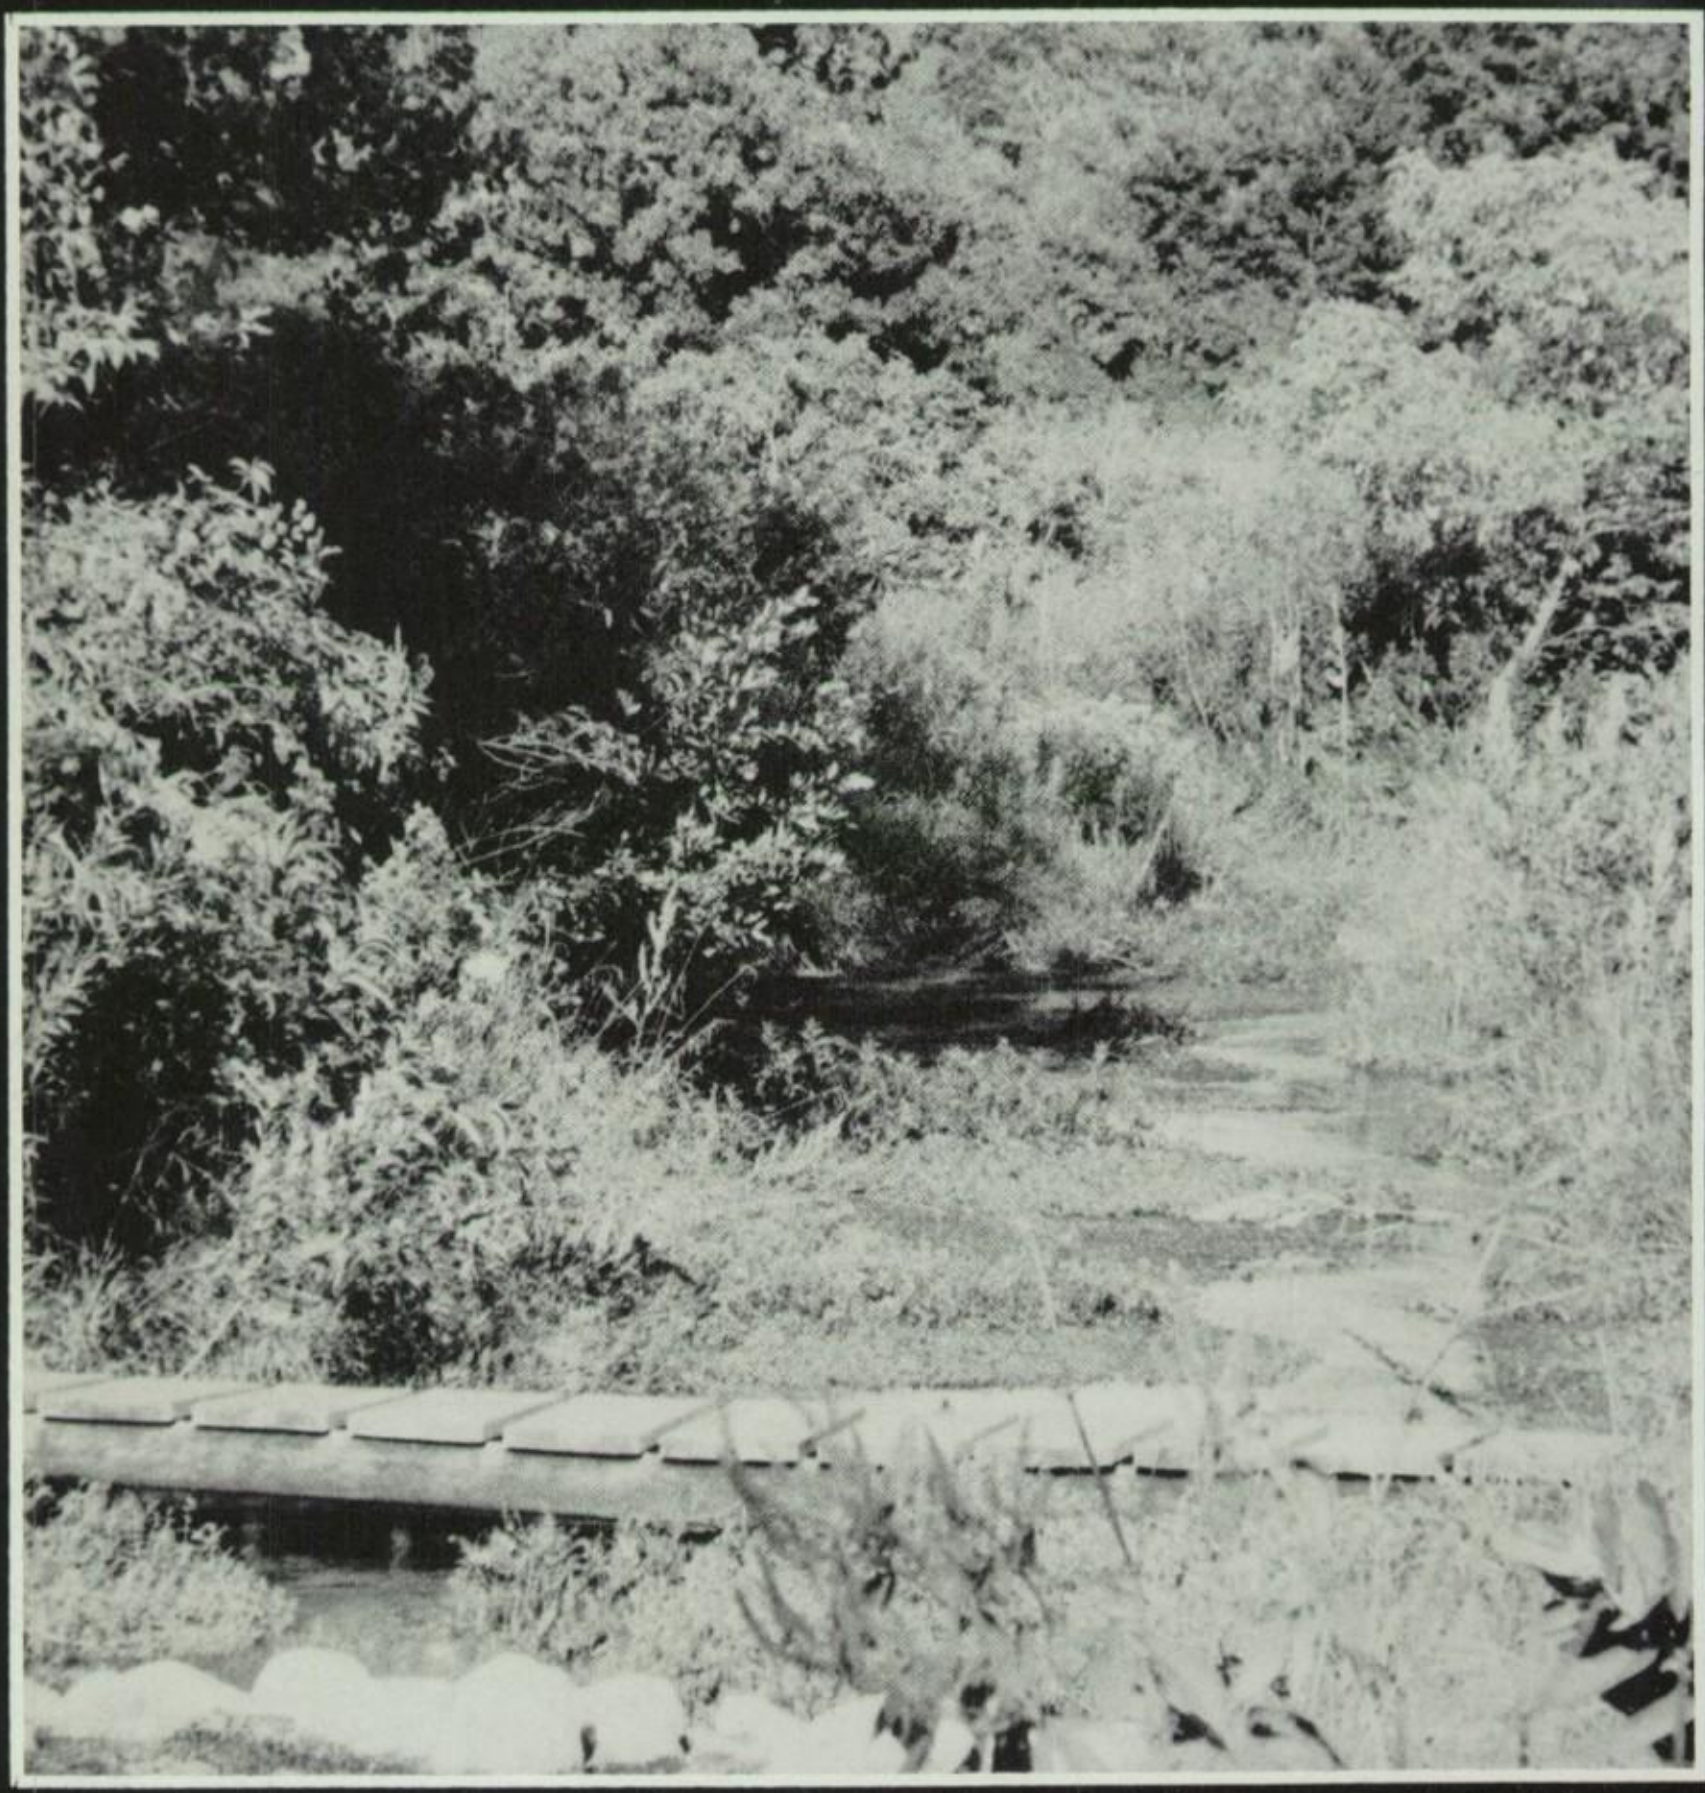
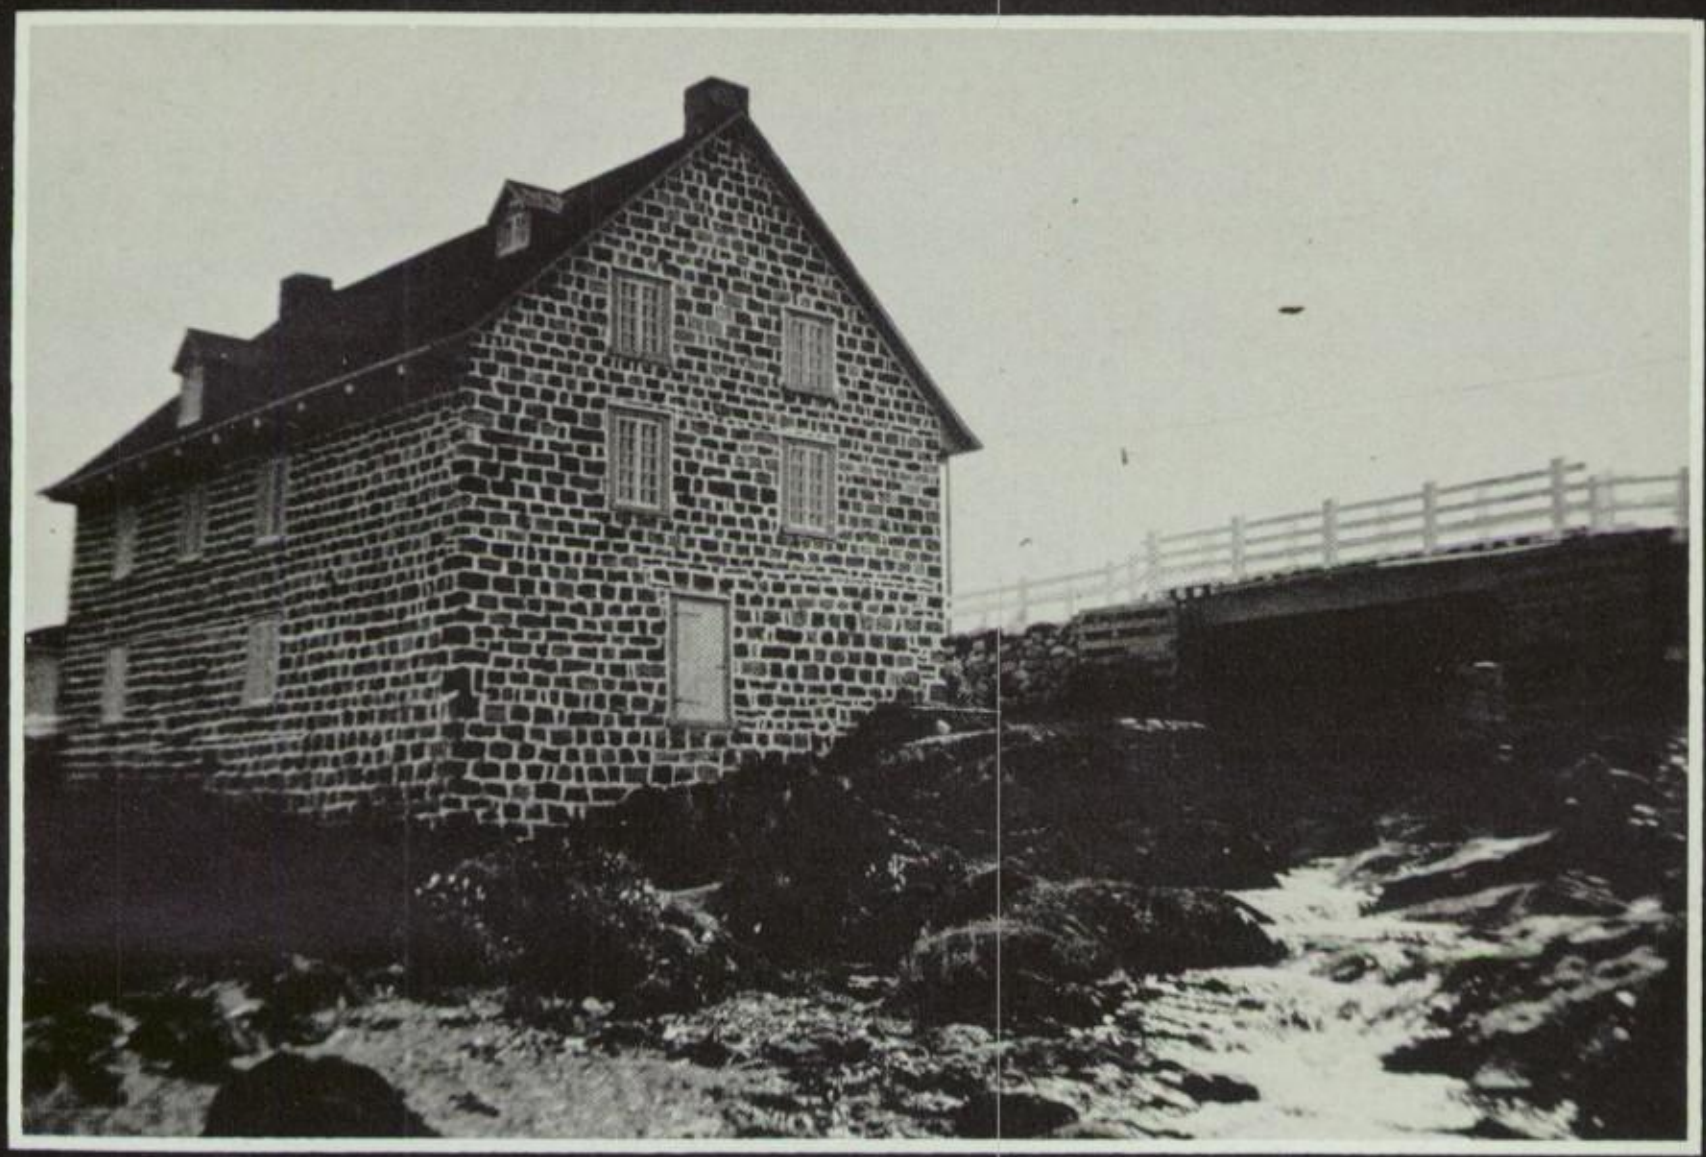
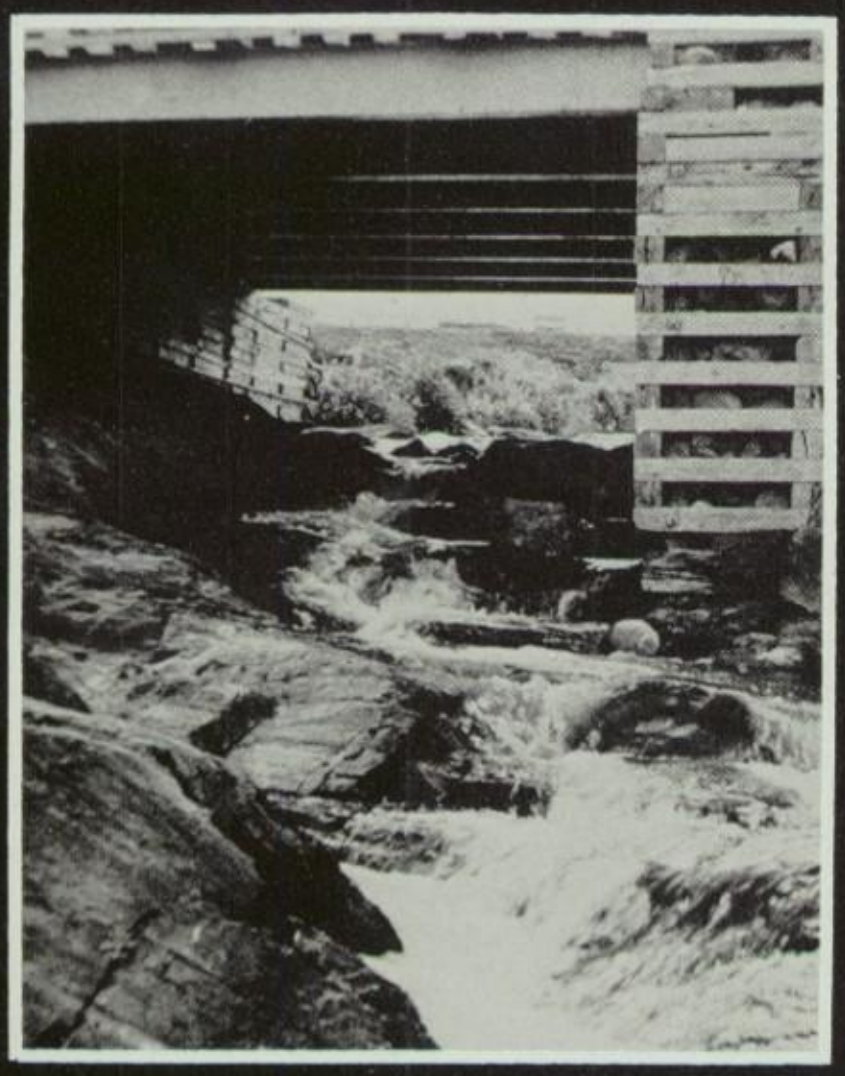
## 1978-79 Edition

The shadows of the trees grow long and thin, the sun goes down red behind the horizon, and the road falls gently and steadily into the dusk. Another day's journey comes to a close, but every new dawn begins another journey with yet more roads to tread. The journey continues — going ever forward and ever onward as it leads us from yesterday to today, and then on to tomorrow. Everyday and every minute of our lives we plod along our way on a continuous journey through time. We look back to yesterday and cherish the memories, but we can never turn back, so we live today with remembrances of yesterday and dreams for tomorrow.







J.R.R. Tolkien spoke of such a journey in **The Lord of the Rings:**

"The Road goes ever on and on
Down from the door where it began.
Now far ahead the Road has gone,
And I must follow, if I can,
Pursuing it with weary feet,
Until it joins some larger way,
Where many paths and errands meet.
And Wither then? I cannot say."

Just going out of our own front doors is a dangerous business. We step into the road, and if we don't keep our footing, there is no telling where we might be swept off to. We choose our paths with great care or go where no path exists and leave a trail. Our hopes, our dreams and our ambitions lead us on our way with each of us searching for something a little different and all of us searching for happiness. If, by chance, our paths cross somewhere along the way and we share a smile and a dream, we will each have made a friend.

With every breath and every step that we take, our journey through the portals of time continues. Freshmen become Sophomores; Sophomores, Juniors; Juniors, Seniors; and Seniors, Alumni. And so, we follow the river of time as it flows to an ocean of years. The journey before us is still long, with many roads to be travelled, many lands to be seen, and many mountains to be conquered before the sun finally set and our journey comes to a close.

"Upon the hearth the fire is red,
Beneath the roof there is a bed;
But not yet weary are our feet,
Still round the corner we may meet
A sudden tree ar standing stone
That none have seen but we alone . . .

Still round the corner there may wait
A new road or a secret gate,
And though we pass them by today,
Tomorrow we may come this way
And take the hidden paths that run
Towards the moon or to the sun . . .

Home is behind, the world ahead,
And there are many paths to tread
Through shadows to the edge of night,
Until the stars are all alight.
Then world behind and home ahead,
We'll wander back to home and bed . . ." *

# FALL

Sue,
We really had band together this year, and it was only because of Mr. Condon was the director. Oh, well maybe we can have more fun next year even if he is still here!

Have fun working at Pam Pak!

Dear Robin,
I'm glad you had a good time in band this year. Even though Mr. Condon was the director, we still had a lot of fun. Maybe we can have more fun because he won't be there next year. Thanks for the memories.

The season is now just a memory. There were some good ones and some close games. Our record was 1-8. Our 1st victory of the season was against cross-town rival, Beloit Catholic. Everyone gave a commendable performance as we won the game 6-0. However, there were some disappointing moments during the remainder of the season. The most disappointing moment of the season was our 31-9 loss to Clinton on our homecoming.

As disappointing as our season was, nobody will forget the last game of the season. We played Evansville, number one team in the state, scoring more points than we have in the last three years. We set a conference record for the longest pass. Our seniors hope that the effort displayed against Evansville will foreshadow better seasons ahead for our returning players.

Although the team finished their season with the Sectional Meet, one runner, Cathy Morgan, represented the team at the WIAA State Cross Country Meet.

# . . . And They Run

# Varsity Volleyball

The 1978 volleyball season sure had its ups and downs this year. The season started out slow but then the girls gained momentum and took 5 straight matches against the top teams in the conference including Milton, Parkview and Edgerton. Despite a season that was not up to everyone's expectations, the team did reach one goal, and beat Parkview for the first time in 3 years.

The Turner team finished 5th in the Rock Valley Conference with a record of 6-8. In tournament play, Parkview was defeated 15-0, 15-2 to win Sub-Regionals. The team then advanced to regionals and placed third.

But a season is more than games — there are the fun times off the court that the team members will never forget. There are those memorable practices-like the time we played the clones. Also we'll all remember Zoe's, Michelle's and Cheryl's wierd encounters with the ball. (What size do body casts come in?) How about Mutt and Jeff (Pat and Bridget), the inseperable hip-buddies? And don't forget Mary — always looking at Nancy's Navel. The fun times are always remembered.

This year was the second year for an all-conference team in the Rock Valley Conference. The Turner team placed 4 girls this year. Mary Parmenter received honorable mention. Pat Ziebol and Zoe Hanson were placed on the 2nd team. And for the 2nd year Bridget Crave was a member of the 1st team. Bridget also received the prestigious award of being the team's Most Valuable Player. (also for the second year in a row).

For all the seniors, Mary (Capt.), Bridget (Co-Capt.), Zoe, Pat, Michelle, and Cheryl, it has been a year they'll never forget. For the underclassmen, Nancy, Cathy, Penny, and Kim, it leaves many a reason to look forward to next season. Congratulations Girls, on a fine season!

Front Row: (L to R), Kim Wolter, Cathy Heffel, Pat Ziebol, Penny Barrett, Michelle Schaack, Bente Norgard, Coach Haas. Back Row: Barb Hanson, Mary Parmenter (Capt.), Bridget Crave (Co-Capt.), Zoe Hanson, Nancy Shaler, Cheryl Herstad.

# Homecoming Week '78

Monday: "Costume Day"
Tuesday: "Button Day"
Wednesday: "Player Recognition Day" & "Spirit Day"
Thursday: "Lick'em Day"
Friday: "Blue & Gold Day", Pep Assembly, & Game
Saturday: Homecoming Dance & Post-Homecoming

Homecoming is wearing costumes and buttons, kissing your favorite football player, participating in relays and games. Homecoming is eating suckers, building floats, performing skits, yelling a lot, playing football, eating pizza, and going to a dance. Simply, Homecoming is a time for fun, laughter, and for everyone to enjoy and remember.

# Homecoming

## Relays

Tradition was carried out again this year by the class participation in our annual spirit relays. The program included relays such as the stilt race, tug-o-war, 3-legged race, people pass, egg toss, and pie eating contest. All afternoon the tables turned as to who the winner would be. Spirit within all classes was kept alive in hopes of gaining 1st place. Excitement within the sophomore class was high, despite disqualification in two events. The climax of all events came as students lined up to form the runway for the notorious V.W. push. As for which class is best, all deserve no. 1 in keeping school spirit alive during homecoming week, and will continue to show Trojan pride throughout the year.

Our two AFS Students, Bente Norgard and Wendy Billeter were escorted by Robert Pavelec and Gary Newport. The 1978 Queen and King were Dena Hovland and Dean Dilley.

In the float competition the seniors won with their slogan, "Cash in on a Victory", The Sophomores came in 2nd with "Crush the Cougars." The Juniors' 3rd place float was "No Pity for the Kitty". The Freshman float said "Can the Cougars."

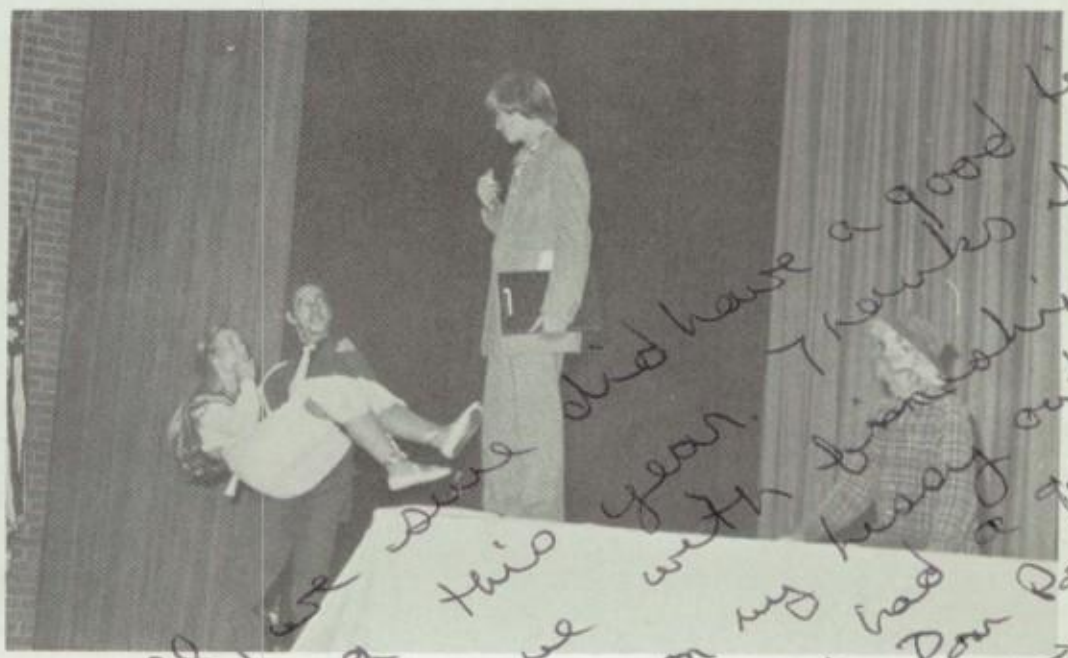
# Fall Entertainment

This year our fall entertainment took on a new twist as four one act plays were presented. "The Dear Departed", "The Marriage Proposal", "The Valient", and "The Fisherman" were the plays produced. The cast, selected from the student body, worked many long evenings to make the production a success. Through great efforts of the crew, cast, and many people that helped behind the scenes, a great show was put on that proved very enjoyable for many people.



Sue: Well I see you did have a good time in drama this year. Thanks for helping me with binding my book. I really had a great time together on my history outfit. See ya Pow Pow Shack! Pow Pow Pow Pow great fun Sue Ya Chuck

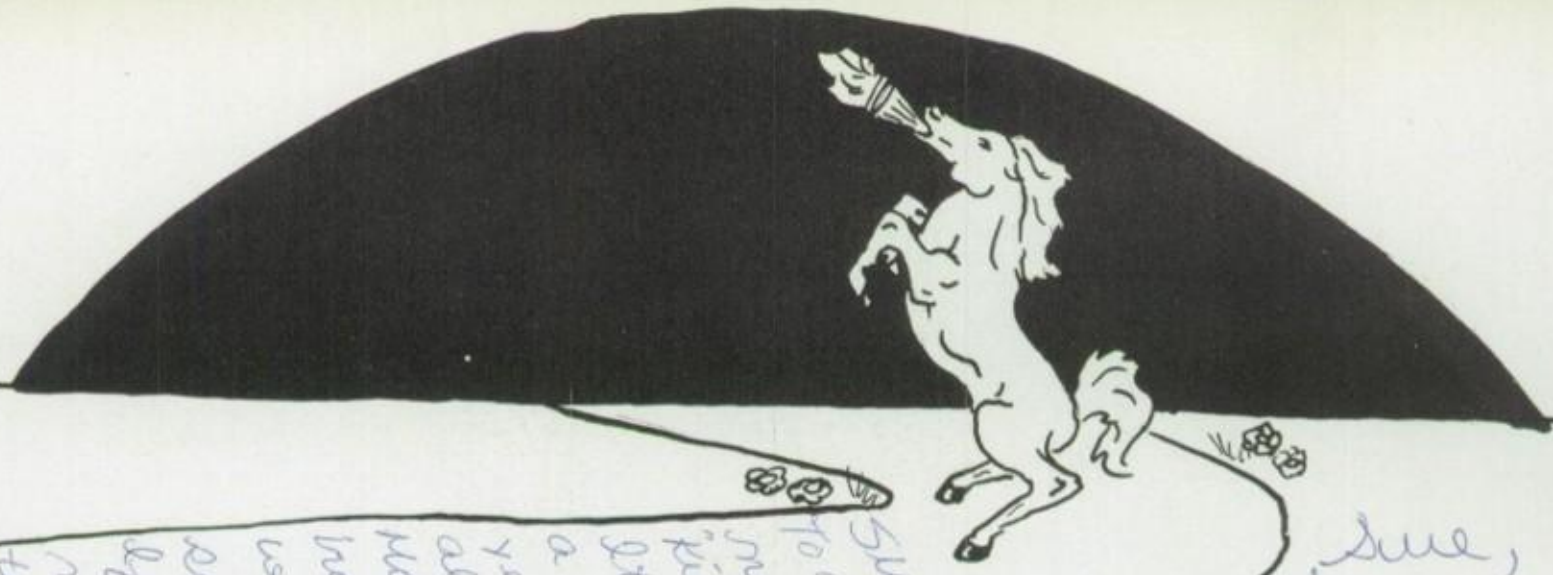
# The Student Council Extends Their Best Wishes To The Class Of 1979



Sue,
To a really sweet person. Wasn't German fun?? I don't think she'll have a German IV class. Maybe some day someone can explain to me exactly what "Sous Graples" means. Have a good summer and may be we'll be in more classes together next year. Good Luck in the future and I'll see you in August when we'll finally be juniors. I can't wait.

Lori

Sue,
Have a wonderful summer! Friends always,
Sarah

Sue
Well the years over and not at all too soon. German was a ultimate bummer and will never be again. Since we are not going to take it. Right. Well see ya later and have a great time.
Love,
Darrel

# SPRING

Sue, Well you were one of the lucky ones. You didn't have many classes w/ me. The one you did was my best hour. With a dizzy teacher like that how can anyone not have fun. Well hopfully next year you won't be so lucky and you'll get all but one class w/ me.

Have a nice Summer.

I am from Norway, way up North. I live in Sorkjosen where it is dark in the winter, and in the summer. Spring and fall are the only normal times. My family has nine members, Mom, Dad, 3 boys and 3 girls, and our family dog. I live with the Schweigers in Beloit-we also have nine members in this family. Randy and Cheryl go to Turner, also. My family is nice and it was easy to feel at home with them. I like it at Turner High, I think the kids are nice and I am glad that they make me feel I'm welcome. I will enjoy this year to the fullest and I hope that I can come back and visit you again.

Bente

Well, I've certainly enjoyed my stay in this freezing place, (though I'm not complaining about the snow). School was a really great long holiday, except for exam times. I wouldn't have minded staying here another year or two. Thank-you Turner for being most welcoming and friendly and thus making my stay a memorable event. I would also like to extend my warmest thanks to the Scott's with whom I have lived. It was an experience to attend your football and basketball matches which unfortunately we don't have the opportunity to do. Even if the football team didn't prove to victorious, it was just gangs of fun cheering and yelling. Thank-you.

Wendy

## The Road Not Taken

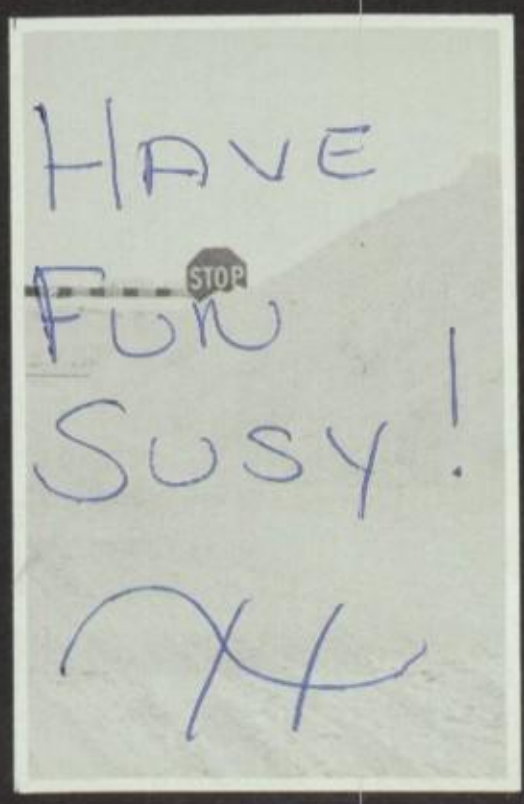
Two roads diverged in a yellow wood
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To Where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day.
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.

By Robert Frost



If at first you don't succeed — Well, so much for skydiving. Every yearbook staffer can certainly attest to the truth of this saying. Mistakes become written history in a yearbook. Late deadlines, fuzzy pictures, ruined film, unknown freshmen, etc. are all inseperable parts of yearbook production. No one can truly appreciate a yearbook until he has experienced the havoc that the staff, editor, and especially the advisor must endure to produce it. About deadline time our beloved advisor, Mr. Sklavos, was always due for a haircut because he was invariably tugging on his hair in a state of nervous frustration. I sincerely want to thank the entire staff for a great year. If this year's Torch reflects even half of the energy and enthusiasm that went into its production, it will be excellent. Special thanks to Randy and Mr. Sklavos for all those late hours and all that diligent work.

Ruth Hebb

# Turner Presents "Oklahoma"

This year, for our spring musical, Turner chose "Oklahoma", and what a show it turned out to be! After three long nights of trying auditions, the actors, singers and dancers were cast, the time was set, and the work was to begin. Two months of dedication, laughing at mistakes, and generally living in the auditorium prepared the cast and crew for opening night. There were times when we didn't know if we'd ever make it, but everything fell into place at the last minute, much to the relief of our director, "Oklahoma" was one of the high points of the year for Turner. Everyone got involved, including students, parents, teachers, and finally, of course, the fantastic audience.
